

### Remarks

The original set of PCT claims as filed was replaced by a new set of claims 1-12, which is attached to the enclosed copy of the Solivas letter dated November 9, 2005, and also to the International Preliminary Report on Patentability. Among these claims, claim 6 has been amended to depend from claim 1 or 2, and claims 8-10 and 12 have been amended to depend from claim 1 or 7, in order to correct the improper multiple dependency of these claims.

Respectfully submitted,

Peter HEROLD et al.
